

Adama Entua Yambasu-Assistant Statistician.

I am an Assistant Statistician and Officer In-Charge of Budget and Contract at Vital Statistics Unit in the Operations Division at Statistics Sierra Leone.

As a Sierra Leonean, I am a dedicated and results- driven development person with the aim of working towards achieving organizational goals and objectives. I am especially passionate about initiatives that improve rural and community livelihood. I possess excellent interpersonal, communication and negotiation skills and have the ability to develop and mutually beneficial internal and external relationships.

I have great analytical skills, sound project management practice and a knack for strategic relationship building to help teams achieve impact within development systems. I am a great communicator with people from all walks of life being very easy going and personable. As excellent team worker, I am able to receive and act on instructions as well as work under own initiatives. I am able to work against deadlines and timescales, as well as under pressure in a busy environment.

I hold a Bachelor's Degree in Pure and Applied Accounting from Institute of Public Administration & Management University of Sierra Leone (IPAM USL), and also a Certificate in Business and Finance from the same institution. I also hold a Certificate in Multiple Surveys and have received training in using many packages including REDCAP, CAPI, and EXCEL.
